Important Information

All services are performed by students under the supervision of a licensed instructor. Services are for the training of our students

***Closed for Services. Business offices are open**
All clients will receive a consultation prior to receiving any service. All services are performed by students under the supervision of a licensed instructor. Price of service may vary based on instructor consultation.

All services offered are not a substitute for medical care, and any information provided by the instructor or student, is for education purposes only and not diagnostically prescriptive in nature.

*Price of service may vary based on instructor consultation. ** Prices and hours are subject to change at any time without notice.*

If you are receiving a service, children cannot be left alone in the waiting room or be allowed on the clinic floor while a service is being performed. This is for the safety of the student, client and child. They MUST be supervised at all times. NO children or guests allowed on the clinic floor, except for the guest receiving the service.
